

KBC OPENS OFFICE IN BAHRAIN

London, UK and Houston, Texas, USA – (February 24, 2009) – KBC Advanced Technologies plc (KBC) announces the opening of a branch office in Bahrain.

KBC has opened a branch office in the Almoayyed Tower in Manama, Bahrain. With the launch of this location, KBC can now provide greater local support for our Middle East clients during this time of expansion in the region. The office, which is located 15 minutes from Bahrain International Airport and only a 45 minute drive via King Fahd causeway to Saudi Arabia, will enable KBC to provide local support to our Middle East clients.

“KBC has long and successful ties with our clients in this region. We are pleased to increase our commitment by offering our clients greater access to our services with the opening of this office,” commented KBC CEO, George Bright.

For contact details of this location, please consult the Contact Us page of the KBC website at www.kbc.com.

About KBC:

For over 30 years, KBC consultants have provided independent advice and expertise to enable leading companies in the global energy business and other processing industries manage risk while maximising the value from their assets.

In times of economic uncertainty and increasing environmental pressure, the KBC proprietary methodologies and innovative tools guide clients’ key strategic decisions, prioritise and implement initiatives that maximise return on investment, and improve operational performance.
