

KBC HOUSTON OFFICE RELOCATES TO NEW FACILITY

London, UK and Houston, Texas, USA – (February 25, 2009) – KBC Advanced Technologies plc (KBC) announces the KBC Houston office relocation.

The KBC office located in Houston, Texas, USA will relocate to a brand new facility effective March 2, 2009. The office is situated on the top floor of the new Energy Crossing I development at the intersection of Interstate 10 and Texas State Highway 6, which is only four miles west of our current office.

For contact details of this location, please consult the Contact Us page of the KBC website at www.kbcat.com.

About KBC:

For over 30 years, KBC consultants have provided independent advice and expertise to enable leading companies in the global energy business and other processing industries manage risk while maximizing the value from their assets.

In times of economic uncertainty and increasing environmental pressure, the KBC proprietary methodologies and innovative tools guide clients' key strategic decisions, prioritize and implement initiatives that maximize return on investment, and improve operational performance.
